

INVITATION

We are looking forward to seeing you at our ERS booth, and have a talk about FeNO* measurement with NIOX VERO®!

Applying Science With a Single Breath

We are inviting you to our booth no. H.04 at the ERS International Congress 2017 on Sept. 10-13, 2017, in Milan, Italy!

FeNO by  NIOX®

Circassia Pharmaceuticals plc
Northbrook House - 1 Robert Robinson Avenue
The Oxford Science Park - Oxford OX4 4GA - UK
info@circassia.com, www.niox.com, www.circassia.com

Visit our practical workshop: “HandsOn FeNO & How to Use Nitric Oxide as Biomarker in the Diagnosis and Management of Respiratory Diseases”

On September 10. 2017, from 13:15 to 14:30, in room Pink

13:15

Introduction

Liam Heaney, MD, Professor of Respiratory Medicine, Queens University Belfast, United Kingdom

13:20

HandsOn FeNO* Measurement with NIOX VERO®

14:00

Role of Nasal Nitric Oxide to Diagnose Primary Ciliary Dyskinesia

Jane Lucas, MD, Professor of Paediatric Respiratory Medicine, University of Southampton, United Kingdom

14:10

Clinical Utility of FeNO* as a Biomarker in Asthma

Neal Jain, MD, Allergology and Immunology Specialist in Phoenix, Arizona, USA

14:25

Closing Remarks

Liam Heaney, MD, Professor of Respiratory Medicine, Queens University Belfast, United Kingdom

Learn more, share experiences, and meet peers at our FeNO* workshop!

*Fractional exhaled Nitric Oxide
